Dear Parent/Guardian

We believe that strong links between home and school is crucial to your child's education.

We would like to welcome you to the Blessed George Napier Parent Portal, part of our 'My Learning' Virtual Learning Environment (VLE). This is an online learning platform which allows teachers to share learning resources with their students and set tasks for those students to complete. The VLE provides exciting ways to enhance and extend your child's learning while providing many useful features such as being able to download extra copies of work, submit assignments online and keep up with work being missed during absences from school.

Your child's documents and other learning materials, news, timetable and attendance will be available via the parent portal. We hope that this information will support you to provide help and guidance at home and will prove a vital tool in developing stronger links between home and school.

You will be able to log into the Parent Portal from any computer, tablet or phone that has internet accessibility, at any time. We would like you to be aware that any amendments to your personal details e.g. email, address, mobile number etc. must be made by yourself for security reasons, so please keep your information up-to-date to ensure you can continue to access information and receive notifications.

Your child's unique ID to register on the Parents' Portal is:

«Master_login»

«Master_password»

To register go to <http://bgn.myvle.co.uk> and follow the instructions on the attached.

In the first instance if you have questions please e-mail the school on Office.4600@bgn.oxon.sch.uk.

Thank you for your continued support.

Yours sincerely,

Rosie Smith
