Dear Parent/Guardian

Advice for Parent/Guardian following confirmed case of COVID-19

We have been informed there has been a confirmed case of COVID-19 within one of our student bubbles.

The school remains open to all year groups other than Year 11 and, providing your child remains well, they can continue to attend school as normal. We will keep this under review. Please note your household is also not affected.

Our tutor group bubbles and year group bubbles have enabled us to quickly identify who has come into close contact with the child, and parents of these children have already been informed. If you have not been contacted separately, you can assume that currently we are not aware of any close contact affecting your child.

If your child or anyone in the household does develop symptoms, you can seek advice from the NHS website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/> or by phoning 119.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19. These are as follows:-

Do

- Wash your hands with soap and water often – do this for at least 20 seconds
- Use hand sanitiser gel, if soap and water are not available
- Wash your hands as soon as you get home
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin immediately and wash your hands afterwards

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Yours sincerely
