Dear Parent/Guardian

## Partial re-opening of BGN to Years 10 and 12

You may be aware that the Department for Education have asked secondary schools to extend their opening so they can offer some face-to-face teaching with Years 10 and 12 before the end of the summer term.

We have been working hard at BGN to ensure that we can do this from 15 June, in line with the very stringent government guidelines which are currently in place.

Students will be taught in small groups, maintaining social distancing at all times, whilst adhering to a new and more strict hygiene and cleaning regime.

Inevitably, due to the constraints that we are presently under, we are only able to offer a limited number of sessions this term. The main form of education that schools are asked to provide continues to be remote learning through our VLE system.

Please find enclosed a Q&A sheet which will give you more information about how this new system will work.

We would like to thank all our parents for the incredible amount of support we continue to receive through this very difficult time and we wish to reassure you that the continued safety of staff and students at BGN is our main priority.

Yours sincerely

Fraser Long

Principal
